

HASSLE-FREE CANDLELIGHT

Choose Lumea's Liquid Wax Candles and lamps for the perfect ambient lighting in your restaurant, hotel, bar or spa and you will notice the difference immediately! Lumea Liquid Wax Candles are quick and easy to use saving you time and money.

SAFE

Unlike traditional wax candles, the flame on a Lumea Liquid Wax Candle will extinguish immediately if knocked over.

LONG-BURNING

Liquid Wax Candles last up to 70 hours depending on the size you select, that's almost two weeks of evening service from a single candle. This means that your staff can focus on more important tasks such as providing that all important customer service.

NO MESS

Liquid Wax Candles are specially designed to not smoke or produce a wax residue as they burn - there are no soot marks to clear off walls or furnishings and no mess to clean off surfaces.

ECONOMICAL

The long burning and no mess benefits of Lumea Liquid Wax Candles mean that you save money! Lumea Liquid Wax Candles are competitively priced to provide an affordable, effective alternative to any good quality wax candle.
